

Lake Tahoe - Heavenly Ski Resort

As one of the largest ski resorts in the United States, world renown Heavenly Ski Resort offers something for everyone. The 4,800 acre mountain stretches from California into Nevada, and offers 29 lifts between the two states. Atop part of the Sierra Nevada Mountain Range, Heavenly Ski Resort offers some of the best views of South Lake Tahoe that you will find anywhere. With a vertical drop of 5+ miles from it's peak to the base lodge you will find Heavenly to have the longest ski runs in all of Lake Tahoe. Located in the South Shore of Lake Tahoe you will not only have a blast skiing all day, but be able to party all night – with Hotel and Casinos like the Horizon Casino Resort, MontBleu Resort Casino, Harvey's, Harrah's and Lakeside Inn & Casino all offer restaurants with fine dining, nightlife with clubs and bars, and gambling.
